Our 8th annual Nutcracker Dance Camp returns to rave reviews! This summer classic is a children's favorite. Children will explore in depth the choreography, music and specialties of this timeless holiday classic as presented each year by Dance Augusta. Students will learn a different section of Nutcracker choreography each day. The session will end with a special performance for friends and families. Taught by Carlee Snyder.

All Nutcracker workshops will take place at the Walton Way studio. You must register no later than the week before the session you wish to attend; however, attendance is limited so there is no guarantee you will be admitted to that session if the workshop is filled.
