Our 9th annual Nutcracker Dance Camp returns to rave reviews! This summer classic is a children's favorite. Children will explore in depth the choreography, music and specialties of this timeless holiday classic as presented each year by Dance Augusta. Students will learn a different section of Nutcracker choreography each day. The session will end with a special performance for friends and families. Taught by Carlee Snyder.

**All Nutcracker workshops will take place at the Walton Way studio. You must register no later than the week before the session you wish to attend; otherwise, admittance into a session cannot be guaranteed.**
